ALLERGEN GUIDE

2025

Version 7: 12th September 2025

Our food & drinks are handmade by real people every day. We use many ingredients and shared equipment, and whilst we do our best to manage allergens, we cannot guarantee that any of our food or drinks are allergen-free or suitable for those with allergies due to the risk of cross-contact. Our vegan food is made to a vegan recipe but is not suitable for those with milk or egg allergies.

This information is updated regularly to reflect our procedures instore. Please check our website for the most up to date information.
